

*A tenacious love of life and optimism.
The ability to always strive to do the right thing.
To discover the strength and courage that you did not know you had.
Make choices to be kind and show gratitude.
Have the power to be more than ever thought possible.*

This is who Jane Waltzer was and how she lived her life.

The Jane Waltzer Wellfit Scholarship Fund, founded in 2018 by her husband and three daughters, will be awarded to one girl each year that represents and exemplifies the true characteristics Jane Waltzer embodied.

This scholarship is in memory of a woman who truly was an inspiration. A generous nature, fierce loyalty to family and friends along with an unwavering commitment to service are qualities that will be considered for this scholarship.

The recipient will be a young woman who demonstrates strength, determination, friendship and generosity. She will epitomize Jane's strong belief that by possessing the courage and hope to be the best that you can be, others will unite around you and be inspired to live life to the fullest.

As every Wellfit Girl knows, "the idea is that you are not born a warrior, but you can grow into one". Jane Waltzer was the ultimate warrior. It is in her spirit that this opportunity is awarded.
